The Basic Practice of Statistics by David S. Moore To ask other readers questions about The Basic Practice of Statistics, please sign up. Be the first to ask a question about The Basic Practice of Statistics A very good textbook on statistics, though I think too much space is devoted towards theory. Building up to t-stats using z-values makes sense. WebAssign - The Basic Practice of Statistics 7th edition Moore's data analysis approach in The Basic Practice of Statistics 7th edition moves students away from formulas and number-crunching, focusing instead on how working statisticians in a variety of fields collect and analyze data, and use the results to tackle real-world problems. The WebAssign component for this text engages students with immediate feedback, an interactive eBook with online. The Basic Practice Of Statistics 7th Edition Textbook ...
